Dear Sir,

I am writing in regards to several letters I received last year concerning a lawsuit, : Civil Action No. 05-675 GMS. I made several calls thinking it must be a mistake as I have never heard of the parties involved nor was I in business when this transpired. I called the phone numbers both times and spoke with the person whose name was on the letter and I was told to disregard if it didn't concern me. I am enclosing copies of the letters I received last year. I do not know how to respond except to say again, I have never heard of the people, I was not in business when this happened and none of the people owe me money. Please advise if there is something else I need to do. Thank you in advance.
